SECTION B-B

NOTES:

- The tank (including baffles, pipe and fittings) is constructed from polypropylene (PP).
- We recommend the appropriateness of the tank design, and its proposed location, be verified for use by the relevant authority prior to order placement.
- Custom dimension tanks can be made to order for situations limited by space. If required, call Viking Plastics on (03) 9587 2297.
- For more detailed information on installation and maintenance, please refer to the Installation and Maintenance Guidelines available on Viking Plastics' website: www.vikingplastics.com.au/spec-sheets.
